WELCOME BACK!!!

Welcome back parents, teachers and staff! We hope you had a wonderful summer and got the chance to see some familiar or meet some new faces at our recent Back to School Picnic. This is the premier edition of our 2018-2019 **GAPpenings**, a monthly newsletter published by GAP. In each edition you will find helpful information on volunteering, GAP events, GAP meeting details and important news updates.

What is GAP?

GAP is the parent-teacher organization here at Guardian Angels Catholic School. Its function is to promote the mission of the school through FUNraising and fundraising. GAP sponsors events throughout the school year to foster our strong sense of community here at GA, as well as raises much-needed funds to help keep tuition costs down by providing educational materials, funding field trip stipends for all students, and funding improvements to enhance the overall learning environment. Last year GAP funded the preschool playground set and helped offset the cost of new textbooks for our K-5 and academy students.
