 - Indicator lights have been installed in the office that illuminate when an exterior school door is opened. There are over-ride buttons at the door that can be pressed to prevent a light from illuminating (only staff know to utilize this button).
 - GA is getting ready for the end of the school year! There are a lot of field trips planned, and also Field Day.
 - Behavior amongst the students is improving.
 - For "Be the Difference Day", there are 11 different organizations that GA will be helping. Parent volunteers have been recruited for the event.
 - The family that donated money for the playground upgrades last year is once again contributing to GA. This summer, turf will be installed in the back garden area, along with irrigation for the plantings. The improvements will allow GA to incorporate an outdoor learning component into the curriculum.
- **Review of Parent Comments from March Meeting**
 - No comments submitted.
- **Discussion of New Parent Concerns**
 - The third grade classroom has experienced theft and has had personal items broken due to the classroom being used for the after school Catechism program.
 - Parents who would like to review this concern are encouraged to contact Mr. Kuhar direct.
 - For the grades that have assigned seating for lunch, can the assignments be rotated on occasion?
 - Yes - a rotation will be made when the school returns from Easter Break.
- **Review of SAC Bi-Laws**
 - A shared, live version of the Bi-Laws will be sent to collect comments.
- **Open Forum**
 - The committee will review available seats for SAC for the upcoming school year at the next meeting.
