

Dear Families,

We hope this letter finds you enjoying a fantastic start to the 2025-2026 school year! We are thrilled to introduce you to our parent teacher organization, Guardian Angels Parents (GAP), and extend a warm invitation to become an active part of our vibrant school community.

GAP is a collaborative group of parents, guardians, teachers and staff who come together to support our school's Catholic mission and enhance the educational experience for all students. Our primary goals are to raise funds for school improvements and programs, foster strong community relationships between families and teachers, and provide opportunities for families to get involved and make a positive impact.

Through last year's fundraising, we were able to upgrade our gymnasium sound system, install new window blinds in all classrooms, purchase \$6,500 in new Chromebooks, and over \$12,000 in new furniture. We also annually provide each student with a \$30 stipend for field trips and pay for various educational assemblies throughout the year. Planned events for this year include:

(no uniform today) card for their students. We would love to see you there and encourage you to bring any questions or suggestions you might have. This is a wonderful opportunity to meet other parents, learn about our goals for the year, and get involved.

Check the GA website <https://gaschool.com/about-ga/guardian-angels-parents-gap/> for meeting minutes and information. Please feel free to contact us at guardianangelsparents@gmail.com if you have any questions. We look forward to a great year!
