

Guardian Angels Herald

September 7, 2018

Principal's Corner

Mr. Stephen Turk

Welcome to the 2018-2019 school year!

Thank God for the break in the heat!
The school building is looking great and was just waiting for the arrival of your beautiful children.

We start this year with a new reading program for grades K-8 and a new Social Studies program for grades 6-8. The new boilers are installed. Many needed repairs were completed over the summer and we were able to install a new water fountain with a bottle filling station. Preschool also has new playground equipment thanks to the fundraising efforts by GAP!

We welcome 8 new families (9 new children) to our K-8 program. As we start this new school year, let us take time to thank God for all the graces He has bestowed upon us and ask Him to keep the Guardian Angels school and community in His loving care.

Let's start the year off right:

- Excellent attendance! Being in school every day is the first step to a successful school year.
- Grades K-2 are all using Classroom Dojo this year. You should be receiving daily communications from your child's teacher.
- Grades 3-8: check your child's planner EVERY DAY after school. They should be filling in their assignments for each subject area.

Have a Blessed weekend,
Stephen Turk

Looking Ahead

September

- 11- Bug Camp 4th and 5th Grade
- 16- Catechetical Sunday 11 am Mass
- 18- Flu Shot Clinic 1-4 MPR
- 20- Jog-A-Thon GAP Fundraiser
