Principal's Corner

Mr. Stephen Turk
Greetings GA Family!

Welcome Back!

It is wonderful to see everyone again after a nice break. The Hungry Howie's pizza orders were flowing in this week. Thank you for your support.

In two weeks we will be one of five AOD schools piloting a new testing platform that may replace the IOWA test. This is quite a good thing for us as a school. The test is a Computer Adaptive Assessment. In other words, the assessment intuitively adapts the assessment to more accurately assess each individual student and thereby provide a better idea of the student's mastery. More about the test will be sent out via email.

No more pencil and paper, this test will be taken on our chromebooks, desktops or iPads. All of which were purchased for the school through GAP fundraising. Please continue to support those efforts and PLEASE come to the meetings. Your input is invaluable. Go to our beautiful, new website and check out what's new with GAP.

Thank you Mrs. Lauren Perry for all of your work on our new website. It looks great! You did a wonderful job.

Catholic Schools Week (CSW) is fast approaching. We will send CSW information home next week.

Thank you for choosing GA.
Stephen Turk
