Principal's Corner

Mr. Stephen Turk

Happy Thanksgiving GA Family!

Thank you for showing your commitment to your students education by showing and making our Parent-Teacher conferences a great success. Thanks to GAP for providing the staff with a wonderful lunch.

It's a long day for everybody and the lunch is true kindness we all appreciated.

The boiler project is completed and we are now in process of balancing the heat throughout the building, replacing a couple of faulty steam traps and thermostats and inspecting the heating units in each room. The boiler room also received a new roof which means we have a dry boiler room now!

Patching in the parking lot was started last week but has been delayed. The crew will be back out Wednesday and Friday of this week to complete the repairs.

As Fr. Solanus Casey said, which is our theme for the year, "Thank God ahead of time." Have a happy, restful and blessed Thanksgiving.

Thank you for choosing GA.
Stephen Turk
