Principal's Corner

Mr. Stephen Turk

WOW!

What a beautiful day for our
Jog-a-Thon!

Not really but we were very flexible and adapted quickly. The Pre-K, K, 1st grade and second grade did their walks in the gym with music and dance breaks during the morning rain. After lunch grades 3 through 8 took to the streets for their run. Fr. Tony led each class off the starting line and ran the course with the children. GAP volunteers provided water, apples, oranges, bananas, and snacks along with acting as guides along the route. Thank you so much for your generous support of this important fundraiser.

The preschool playground opened this week and the little ones are loving it. It has 2 slides, a tunnel and a climbing wall. Just a reminder that the preschool playground is certified for ages 2-5. Again, this was made possible by your generosity through GAP fundraising.

Have a Blessed weekend,
Stephen Turk
