Principal's Corner

Mr. Stephen Turk

Finally, I no longer smell like a condiment bar! I think the kids really enjoyed dumping all sorts of items on Mrs. Bays and myself as a reward for such a successful fundraising event. I can't even begin to list all of the "condiments" that were poured over us but somehow maple syrup, turkey gravy and a variety of jams made their way onto our heads. It was a lot of fun, especially the slip and slide!

Our students have been working diligently on their IOWA testing which is our standardized test for Archdiocesan schools. We will start our own assessment called AIMS in November. This type of test is administered three times over the school year and helps us identify any problem areas and to measure student progress over the year. Grades 2-8 the assessment is online while the PreK-1 assessments are done one on one with the teacher. More on this as we get closer to that date.

Thank you all once again for your support...spiritual, financial and hands-on volunteering.
Have a Blessed weekend,
Stephen Turk
