

# GUARDIAN ANGELS **TODAY**

Volume 1 • Winter 2017

## GA BOTS HEAD TO STATES!

In September, Ms. Eisie started working with her FIRST Tech Challenge Robotics Team comprised of fifteen 6th-8th grade students. The GA Bots built, designed, and programmed a robot to play a game in competition. In December, they attended regionals at U of D Mercy and took First Place in their competition, winning two trophies. This qualified them for States (for the second year in a row), where they came in 11th out of 72 teams.

Also this past fall, several 5th graders joined the Robotics team for the first time to build a robot for a Bottle Sumo contest. They competed at Lawrence Technological University and earned a 3rd place trophy! It was a positive experience, and all of the students are excited to learn more in the upcoming years!

### Upcoming Events:

**January 29, 2017**

Open House at  
Guardian Angels  
Catholic School  
12:30—2:00 pm

**May 20, 2017**

## ALUMNI SPOTLIGHT

Whether you attended Guardian Angels one year ago or sixty years ago, we would love to hear from you! If you would like to share how Guardian Angels has positively impacted your life, please contact Lauren Perry at [perryl@gaschool.com](mailto:perryl@gaschool.com) to share your story! We look forward to building our Alumni database and sharing more with you soon!

*“The mission of Guardian Angels Catholic School is to proclaim Jesus Christ through sacraments and prayer by teaching Christ-centered values while encouraging academic excellence and social justice with our Catholic community.”*

## TEACHER TALKS

“My dedication to Guardian Angels is because of my love for the children... watching them explore, expand, and engage in science. When students enter into my classroom, they cease being a student and truly become a scientist.

~Ms. Connie Eisenhart  
Science Teacher (32 Years)
