Volume 2 • Spring 2017

GUARDIAN ANGELS PRESENTS — BEAUTY AND THE BEAST JR.

Every spring, Guardian Angels presents a musical to the public. This year, over 50 academy students participated in the performance of Beauty and the Beast Jr. through either the cast or various crews—lighting, sound, make-up, prop, etc. Students started their rehearsals in November and were excited to share their talent. Their voices were proud and strong as they shared the story of finding the beauty in others, both inside and out.

Dr. Mona Hanna-Attisha, M.D. MPH is the pediatrician who exposed the dangerous levels of lead in the water in Flint and is a 1990 graduate of our school. While addressing our students this year, she said, “This school taught me to love all our neighbors, no matter where they are from—religion, color, anything.” It is that love of neighbor and a desire to help those in need that led her to some very important discoveries in medicine! All of us here at GA are proud of Dr. Mona and all of our alumni! Keep up the good work, Angels!

If you would like to share your GA story, please contact Lauren Perry at perryrl@gaschool.com.

ALUMNI SPOTLIGHT: DR. MONA HANNA- ATTISHA, M.D. MPH

“The mission of Guardian Angels Catholic School is to proclaim Jesus Christ through sacraments and prayer by teaching Christ-centered values while encouraging academic excellence and social justice with our Catholic community.”

TEACHER TALKS

“ Every year, I enjoy watching my students grow musically and spiritually. As they study the fine arts, they not only expand their knowledge of music, but they also learn to praise God in song.

~Mrs. Andrea Cross
