Greetings GA Family!
Welcome Back!

It is wonderful to see everyone again after a long weekend. We take a day off this time of year because the teachers have to come in on our Open House Sundays and our preschool teachers attend evening Early Childhood Fairs in Troy and Royal Oak where much of our preschool recruiting is done.

Last year it was the boilers and this year a water main break and severe cold! Each year when I complete the calendar for the upcoming school year I build in six extra days of instruction above what is required. We have used four of those days.

Despite all of the days off we were able to complete our SCANTRON Performance Series Testing. Our students did extremely well! We tested in Math, Reading and Reading Foundations (K-2). Reports will be coming home later this week but overall out of 18 testing categories we scored as a school above average in 2, high average in 14 and low average in 3. We were not below average in anything.

After the water main break we decided to have our water tested just to go that extra step to ensure safe drinking water even though there was no boil water requirement issued by Clawson. We received our results and we passed.

Don't forget Open House this Sunday. Please refer someone to come and take a look at our school!

Thank you for choosing GA.
