

2019 Summer Reading

Academy

Over the summer, read three books of your choice on a reading level with which you are comfortable. One book must be a recommendation from someone else. One book must be written by an author whom you have read before. The final book is completely up to you. Don't be afraid to challenge yourself and/or step outside your comfort zone, you may discover a new favorite.

After reading these books, you need to write a letter to Mrs. Ulch. The letter must follow the appropriate format for a friendly letter (we covered this multiple times during this school year and the format is attached). It should be written in ink or typed. The body of the letter should be five paragraphs:

First paragraph- Tell me how you have been and some things you've done this summer.

Second paragraph- Tell me about the recommended book you read and if you liked it, explain why or why not. Who recommended it to you? Would you recommend this to someone else (why/why not)? Include the title, author, and a summary of this book.

Third paragraph- Tell me about the familiar author book you read and if you liked it, explain why or why not. Why did you choose this book? Include the title, author, and a summary of this book.

Fourth paragraph- Tell me about the book you choose to read that was completely up to you and if you liked it, explain why or why not. What made you choose this book? Include the title, author, and a summary of this book.

Fifth paragraph- Tell me what you are most looking forward to during the upcoming school year and the one thing that worries you. Wrap it up on a positive note.

The letter must be mailed to me at Guardian Angels and postmarked by **AUGUST 29, 2019**.
