Parent Handbook 2020-2021

Mission Statement

The mission of Guardian Angels Catholic School is to proclaim Jesus Christ through sacraments and prayer by teaching Christ-centered values while encouraging academic excellence and social justice within our Catholic community.

Philosophy

The preschool provides a loving and safe environment to foster the social, emotional, academic, physical and spiritual development of each child. Our professional staff specializes in early childhood education which promotes a love of learning that sets the stage for future academic success.

Governance

The Pastor of Guardian Angels Catholic Church is responsible for the school. The responsibilities for the daily operations of the school are delegated to the Principal and daily operations of the preschool are delegated to the Program Director.

As a parish, Catholic preschool, elementary school, and academy, Guardian Angels follow the policies and the guidelines of the Archdiocese of Detroit for Catholic Schools as well as the Archdiocesan policies governing Religious Education and Catechesis.

------------	------------	----------------------

Hours of Operation

We are open Monday through Friday from 6:45am to 6:00pm on school operating days. Guardian Angels Catholic School runs on a typical school year from late August until early June. Consult the current calendar included in your parent orientation folder for details regarding holidays and vacations when the building will be closed.

Three Year Old Program

- Child must be 3 years old by September 1st
- Child must attend a minimum of 2 mornings, up to 5 full days
- ½ Day hours: 7:50 am-11:00 am
- Full day hours: 7:50 am-3:00 pm
- Teacher/Child ratio is 1:6

Four Year Old Program

- Child must be 4 years old by September 1st
- Child must attend a minimum of 3 mornings, up to 5 full days
- ½ day hours: 7:50 am-11:00 am
- Full day hours: 7:50 am-3:00 pm
- Teacher/Child ratio is 1:7

Latchkey is available Monday through Friday for an additional fee per hour. Morning sessions are from 6:45am until the beginning of class and the afternoon program is from 3:00pm until 6:00pm. Afternoon sessions are not available for ½ day preschool programs.

All ratios are based on the age of the youngest child in the room at the time.

Program Licensing Notebook

The Licensing Notebook, including licensing inspection reports, special investigation reports and corrective action plans is available in the Preschool office for review at any time. Licensing inspections and special investigation reports from at least the past two years are available on the Bureau of Community and Health Systems website at www.michigan.gov/michildcare.org.

Pest Management

The Pest Management program will be communicated in September, or when school starts. Routine pest inspection takes place by Accurid/Orkin around the end of the month. Should a pesticide application be required, parents will be notified 24 hours in advance, both by posting and by email, prior to the application. This notification will include information about the pesticide, including the target pest or purpose, approximate location and the date the application will be made. Liquid spray or aerosol insecticide applications will not be performed in a room unless the room will be unoccupied by children for not less than 4 hours or longer if required by the pesticide label use directions. Parents may call the school office about pesticide applications or the National Pesticide Information Center (NPIC) 1-800-858-7378.

Tuition

Tuition is established in the annual preparation of the school budget. Tuition for the forthcoming school year is published prior to, or along with, the necessary annual registration information. This tuition schedule may be found in your parent orientation folder. Please note that preschool families are not required to perform any service hours, unless they also have a student in grades K-8th.

Tuition payments are expected to be made according to agreed upon conditions in the Tuition Contract and Agreement. All tuition is paid through FACTS Management Tuition Company. Parish member tuition discounts are offered for registered, contributing parishioners. For more information, contact the parish or school office.

Admission/Withdrawal Policy

Children may be admitted to the preschool program by filling out a registration form and paying the appropriate non-refundable deposit to hold their spot for the upcoming school year as long as space is available.

Should you choose to withdraw your child from the program, a written notice is required. You will be responsible for the full tuition for each month that your child was enrolled. Your deposit will not be refunded.

Probationary Status

All students entering Guardian Angels Catholic School are admitted on a one semester probationary status. Students who demonstrate an unwillingness to cooperate academically or demonstrate unacceptable or disruptive behavior may be asked to leave at any time during the first semester.

Weather-Related Closings

The Guardian Angels administration will monitor all weather and local news stations to determine when it is appropriate to close school early or cancel for the following day. Every effort will be made to arrive at the decision prior to the beginning of the school day. You will be notified by the School Messenger automated call and email system to the phone number and/or email address that was provided to administration.

Emergency school closings during the day, due to unexpected situations, may occasionally occur. School closing information will be on all major television networks, WJR and WWJ radio and on the school website. You will be notified by the School Messenger automated call and/or email system to the phone number and email address that was provided to administration.

**Do not call the school as it will overwhelm the phone lines. If a child has not been picked up within an hour, the lead teachers will call emergency contacts found on the Child Information Record.

Child Information Record, CIR

It is important that parents complete and update as needed, one Child Information Record (white emergency sheet). The CIR contains contact information for both the parents as well as the individuals authorized to pick up the child in the event of an illness or emergency. **It is the responsibility of the parent to complete the CIR and to make corrections as necessary.**

Custody Documentation

Guardian Angels Catholic School requires that divorced or separated parents file a court certified copy of the custody section of the divorce decree with the school office. A non-custodial parent has no right of physical access to a child unless granted by court order. With the increasing prevalence of divorce, many schools are faced with questions regarding the rights of noncustodial parents. The school must follow the terms of the custody agreement, usually contained in a divorce decree or custody order. If a parent claims the custody arrangements have changed, the parent must provide a copy of the new order. If one parent is legally barred from contact with the child, the school must have a copy of the court order on file. Without an official court order, BOTH parents are allowed rights to the child.

Evacuation Policy

Should an evacuation become necessary, the school will notify parents with the School Messenger automated call and/or email system to the phone number and/or email address that was provided to administration with directions on how and/or where to pick up their child. Emergency contacts will be notified if a parent fails to respond within an hour. Specific evacuation plans will be made for children with special needs as discussed with the parent.

Absence

A student's absence from school is to be phoned in, **248-588-5545**, or emailed to **office@gaschool.com**, by the parent, between 7:30am and 8:30am. The student is considered unexcused from school until communication is made. It is the responsibility of the parents to call each day that a child is absent. If a child has a communicable disease, the office must be advised. Absences not due to illnesses, such as doctor appointments, must also be reported. If your child will be absent due to vacation, please advise the school office and the teacher so we can plan accordingly.

Illness

Our first priority is providing a healthy, safe learning environment for all children.

A child, staff member or volunteer who becomes ill while at school must be removed from the classroom in order to limit the exposure of other children to a communicable disease. Communicable disease includes, but is not limited to, all of the following: chicken pox, hand, foot and mouth disease, influenza, measles, mumps, pertussis, which is also referred to as whooping cough, rubella and tuberculosis.

If a child, staff member or volunteer is found to have a communicable disease, a written and/or an electronic notice will be sent home to all affected classrooms.

An ill child will be sent to the office to wait for a parent or guardian to arrive.

Children/staff will be sent home as soon as possible if any of the following is experienced:

- **Fever** of 100 or greater; the child, staff member or volunteer must be fever free for 24 hours without fever reducing medication.
- Signs/symptoms of severe illness, including: lethargy, uncontrolled coughing, inexplicable irritability or persistent crying, difficulty breathing, and/or wheezing.
- **Diarrhea** not associated with diet changes or medication; the child, staff member or volunteer may not return until diarrhea episodes stop for 24 hours or the continued diarrhea is deemed not to be infectious by a licensed healthcare professional.
- **Vomiting**: The child, staff member or volunteer may not return until the vomiting has resolved for 24 hours or until a health care provider determines the cause for vomiting is not contagious and the individual is not in danger of dehydration.
- Persistent abdominal pain that continues more than 2 hours.
- **Pinkeye (conjunctivitis)**: The child, staff member or volunteer may return after treatment has been initiated for 24 hours and the eye does not weep.
- **Head lice**: The child, staff member or volunteer may return after treatment and elimination of eggs and/or bugs.
- **Scabies**: the child, staff member or volunteer may return after treatment has been completed.
- **Influenza**: The child, staff member or volunteer may return after a health care provider states that the individual can attend school.
- **Tuberculosis**: The child, staff member or volunteer may return after a health care provider states that the individual is on appropriate therapy and can attend school.

- **Impetigo:** The child, staff member or volunteer may return 24 hours after treatment has been initiated.
- **Hand foot and mouth:** The child, staff member or volunteer may return once sores have dried and crusted and the child is fever free.
- **Strep throat:** The child, staff member or volunteer may return after 24 hours of antibiotic treatment and the child is fever free.
- **Chicken pox:** The child, staff member or volunteer may return when all sores have dried and crusted (usually 6 days).
- **Pertussis:** The child, staff member or volunteer may return 5 days after appropriate antibiotic treatment has been completed.
- **Mumps:** The child, staff member or volunteer may return 9 days after the onset of symptoms and the child is fever free.
- **Measles:** The child, staff member or volunteer may return 4 days after the onset of the rash.
- **Rubella:** The child, staff member or volunteer may return 6 days after the onset of the rash.
- Unspecified respiratory tract illness accompanied by another illness which requires exclusion.

Guardian Angels reserves the right to make the final determination of exclusion due to illness. Any exceptions to our illness policy will require a written note from a licensed healthcare professional stating that the child is not contagious.

Handwashing

All staff must follow the hand washing procedures identified to prevent the spread of disease to children and other staff members. Teachers are to wash hands at the following times:

- Upon arrival in the classroom
- Before meals and helping open items from lunches or snack
- After eating
- After contact with bodily fluids (vomit, blood, mucus)
- After coming indoors or returning from a break
- After using the bathroom

Parents are asked to make sure their child's hands have been washed prior to entering the classroom in the morning. In addition, children will wash their hands at the following times:

- After using the bathroom
- Before and after eating and drinking
- After touching an animal or pet
- After contact with bodily fluid (vomit, mucus, blood)
- After returning indoors from the playground
- Anytime they are soiled

Handwashing procedures:

- Rub hands together for at least 20 seconds using warm running water and soap
- Wash all surfaces including under fingernails, between fingers and backs of hands and wrists
- Rinse hands well under running water
- Dry hands completely on disposable paper towel

Accident/Injuries/Incident

If a child has an accident, becomes injured or an incident occurs, while at school, the school may attempt to contact the parent(s) at all available telephone numbers and/or email. If a parent cannot be

reached, the individuals listed as emergency contacts/authorized pick-up persons on the Child Information Record will be notified.

Children who have a serious accident, seriously injured or is involved in a serious incident will be sent to the office and remain under the supervision of administration until a parent arrives. Additionally, a Child Care Accident/Injury/Incident Report will be provided to the parent for their signature and a copy will be retained in the student's file.

Immediate medical attention

Should a child require immediate medical attention, the staff member who witnessed the emergency situation will remain with the injured child and instruct the nearest adult to call 911 and notify administration. They will accompany the child to the hospital, bringing the Child Information Record.

Staff may not transport an ill and/or injured child in a personal vehicle.

Immunization

Guardian Angels Catholic School, in unity with the Oakland County Health Department requires all students to be properly immunized. Students not immunized will be excluded from school until either immunization is acquired or a waiver is obtained from the Health Department on behalf of the child.

Medication Authorizations/Special Healthcare Needs

Children who require medications must have a Release for Dispensing of Medications form completed and signed by a parent and/or their healthcare provider. This form will be kept on file in the office where medication is held and administered. All medications must be in its original container with the prescription label attached with the child's first and last name and dosage amount.

Parents/guardians must notify the administration, main office, and teachers of any special health care needed for their child.

If you choose to send in sunscreen, please refer to the Written Information Packet Documentation Form.

Allergies

Parents need to make all staff (including latchkey) aware if their child has an allergy. An Allergy Action Plan, signed by a professional healthcare provider will be posted in the classroom. If your child has an Epi-Pen, it must have the prescription label on the pen itself and on the box. Copies of action plans will be given to the main office and other appropriate staff. ***Due to possible nut allergies in the classrooms, do not send in snack/lunch items that have peanuts, tree nuts, or peanut butter in them.**

Confidentiality

All information provided on forms and in discussions will be treated as confidential. Information in children's files, including health, family needs, and behavior will only be made available to appropriate staff and the child's parents.

School Volunteer Guidelines

In compliance with both the State of Michigan and the Archdiocese of Detroit, the following must be completed for ALL individuals volunteering in the school:

- **Volunteer/Personnel Criminal History Background Check**

Criminal background checks will be done free of charge for anyone who volunteers for school

or parish functions involving children including scouts, athletics, and classroom activities.
ALL INFORMATION WILL BE KEPT CONFIDENTIAL.

- **Protecting God's Children (PGC) Workshop**

As a school, we value the safety of the children in our care, as well as our employees and volunteers and the people whom we serve. Our school strives to provide a faith-filled and safe environment for all of our youth. This includes required participation in a Protecting God's Children workshop within six months of a staff member or volunteer (aged 18 years and older) assignment, if the potential exists for contact with children or youth. This is taken once. Upon completion a record is kept in a database. If you have completed this class for another school or organization please inform administration so a record can be found. If not, completion is required before interaction with children is allowed. Classes can be found at www.virtus.org.

Guardian Angels Parents (GAP)

GAP is a service and fund-raising group that seeks to build community among parents, supplement the school budget, and provide special programs to benefit the students. Family and adult oriented events are provided to foster the development of the community. All parents are considered members of GAP and are encouraged to attend the monthly meetings, as well as to participate in the committees serving the needs of Guardian Angels.

Supervision of Children

A primary responsibility at Guardian Angels Catholic School Preschool is the safety of the children, parents and staff. Each staff member assigned to supervise children will do so in a calm, respectful manner. Staff members must constantly be aware of the children in their care. Staff members must count children in their care every time there is any type of transition. Staff members must not be involved in activities that take their attention away from the children.

Parking

The parking area to the west of the flagpole is the designated area for preschool families. Please park your car and walk your child to his/her classroom. The area on the other side of the flagpole and cones is used by families with older children for drive-up and drop-off. Mornings are very busy and there are distracted drivers. Please hold your child's hand and keep an eye on him/her while in the parking lot.

Arrival and Dismissal

Morning: When you arrive with your child, you may walk to the classroom door and have him/her hang up his/her backpack and jacket. Lots of hugs and kisses and high-fives are encouraged by the classroom door before you leave. We would like your child to be in the room and ready to learn by 8:15.

**Dismissal is at 11:00 for half day preschoolers. Please wait by the school entrance for your child's teacher to bring him/her to you.

Afternoon: Students will be dismissed at 3:00 by the school entrance. Please meet your child on the sidewalk outside of the doors. You must walk up to the sidewalk to get your child from the teacher. Your child may not meet you in the parking lot. The students that have latchkey will be escorted to the designated area for care.

Clothing

The preschool children need to wear comfortable clothes that they can easily put on and take off by themselves.

Shoes should be Velcro or slip-on, unless the child knows how to tie shoes. NO sandals, NO crocs.

Socks must be worn and visible at all times.

Please be sure to label ALL clothing with the child's first and last name. Extra clothing in the backpack is required.

Appropriate outdoor clothing is required. We go outside everyday possible. During the winter season, the children will go outside when the wind chill temperature is over 20 degrees. Coats, snow pants, hats, mittens, boots are required. Please be sure that ALL clothing is labeled with the child's first and last name.

Keeping Things Clean

Please have your child wash his/her hands before entering the classroom. The children are encouraged to use a tissue as needed, and then to wipe off their hands with a wipe. The toys are cleaned often by washing, rinsing and spraying with a bleach solution. The children will wash their hands throughout the day to keep germs away. If the children place toys in their mouth, the toys will be cleaned before they are available for play.

Restroom/Messy Accidents

Children should be able to use the restroom by themselves. This includes removing clothing properly and wiping themselves. Extra clothes need to be packed in their backpacks. If accidents occur, depending on the situation, we may have to call you to change your child, bring additional clothes or take the child home.

Snacks and Lunch

The cafeteria does NOT provide food for preschool children. All meals, snacks, and water bottles must be brought from home. Parents must complete the Written Information Packet Documentation form included in the parent orientation folder.

All food items, lunch boxes, and water bottles for the classroom and latchkey must be labeled with the child's first and last name and the current date. Please be sure to include a utensil if your child's food requires one. If your child is here all day, you must label his/her snacks with his/her first and last name, AM, PM, and latchkey.

Healthy snack ideas include fruit, vegetables, cheese, pretzels, goldfish or graham crackers, etc.

Every attempt will be made to encourage children to eat what has been packed for them. However, it is not good practice to force or bribe children to eat. Any food item that is not eaten will be sent home. If something is too messy to return home, a note will be sent home instead.

Birthday/Special Occasion Treat

Children are welcome to bring in special treats to celebrate a birthday. We will also have occasional classroom parties. If you do not want your child to partake in the special treats, please indicate your preference on the Written Information Packet Documentation form provided in your parent orientation folder. In addition, do not send any food items that may have peanuts, tree nuts, or peanut

butter in them. Providing plates, napkins, and utensils (if needed) is very helpful. If your child has a summer birthday, we can celebrate it at the end of the school year or their ½ year.

Naptime

If your child is registered for the full day program, he/she will need a red/blue nap mat with the large plastic storage bag purchased from school. A small nap size sleeping bag or a simple blanket and a stuffed animal are all that is needed. These items will be sent home at the end of each week to be washed. Please have the child's name on all items. If new storage bags or mats are needed, please see your child's teacher to purchase the items. Children are encouraged to rest. Children who do not sleep will be provided quiet activities.

Discipline

Positive methods of discipline which encourage self-control, self-direction, self-esteem, and cooperation shall be used. All of the following means of punishment shall be prohibited:

- Hitting, spanking, shaking, biting, pinching, or inflicting other forms of corporal punishment
- Placing any substance in a child's mouth, including but not limited to, soap, hot sauce or vinegar
- Restricting a child's movement by binding or tying him or her
- Inflicting mental or emotional punishment, such as humiliating, shaming, or threatening a child
- Depriving a child of meals, snacks, rest or necessary toilet use
- Excluding a child from outdoor play or other gross motor activities
- Excluding a child from daily learning experiences
- Confining a child in an enclosed area, such as a closet, locked room, box, or similar cubicle

Preschoolers are learning social behaviors every day; how to play, how to interact with classmates, how to solve problems, how to cope with their feelings, etc. If a child's behavior harms or endangers another child or property, he/she will be given a warning and we will discuss the situation together. Depending on the situation, a phone call home may be needed to discuss solutions.

Bullying

Competitive behavior is minimized in our program. In young children, competition often increases negative behavior and decreases acceptance of others. Bullying is not considered acceptable behavior. All efforts will be made to guide children in finding appropriate ways to interact with others.

Weapons

In school, pretend play with weapons of any kind, is discouraged. Redirection will be used when a child is engaging in weapon or violent play.

Field Trips

The preschool classes will have indoor field trips during the school year. In the event an off site field trip is planned, each parent will be responsible for getting their own child to and from the event. For any off-site field trip, each parent will sign a Field Trip Permission Form.

Church

The preschool classes will attend all school Masses throughout the school year. Please try and attend Mass on Sundays so you and your child can listen to and participate in the Word of God together as a family.

Preschool Program Curriculum

Each level of our preschool program builds on the next in preparation for kindergarten. The program covers all key learning domains, including literacy, math, and science, in a fun, engaging and developmentally appropriate way for all learners.

We provide activities to aid in the social, emotional, cognitive, physical and spiritual development of each child through a balance of free play and structured learning in our Catholic environment. Each classroom is set-up in centers, which include reading, blocks, dramatic play, gross motor, fine motor, and art. Outdoor play is encouraged when weather permits. Most importantly, we strive to meet the Catholic values of our mission statement to proclaim Jesus Christ by teaching Christ-centered values while encouraging academic excellence.

Parents will receive a progress report reflecting their child's progress at the parent/teacher conferences held in the spring.

Sample Preschool Daily Schedule

7:50 - 8:15 Morning Greeting

- **Students must wash hands before they come into the classroom**
- Students should arrive no later than 8:15 and hang up backpacks/jackets
- Water bottles/lunches/snacks are placed in appropriate bins. Folders and other items can be left in backpacks until we get them when needed
- As the students arrive, various activities will be available until about 8:15

8:15 Morning Circle Time

- We will gather with our school family at the carpet for our morning routine; Stories of God's Love, prayer, Pledge of Allegiance, songs, calendar, counting, shapes, colors, etc.
- Events of the day are introduced, as well as our letter and/or number of the week and topics related to the weekly theme

8:45 Play Time

- Children's free play, table activities and many toys and other activities are available during this time

9:00 Centers

- The children will rotate between a variety of academic centers covering literacy, mathematics, small motor activities, art, science, social studies, and religion

9:45 Snack

- The children will use the bathroom and wash hands before and after they eat
- The children will pray together
- Reminder: All snacks must be nut-free, labeled with the child's first and last name and current date

10:00 Special Classes

- These include music, library, Spanish, art, science and gross motor activities. Junior Kindergarten participates in all specials, including computers

10:30 Group Learning

- A fun time to explore the world around us through activities such as science experiments, math activities and games, nursery rhymes, poetry, songs, and read alouds

11:00 Dismissal for half day students

- The children will be brought to the building entrance for release to parents/guardians

Preschool Afternoon Schedule

11:00 Recess: There will be a bathroom break before the children go outside. We will go outside if the weather permits. If recess is indoors, there will be free play in the classroom or the gym

11:30 Lunch

12:30 Naptime

2:30 Snack and Group Activity: Again, please label with the child's first and last name and the current date on all snack items and avoid foods that contain peanuts, tree-nuts or peanut butter. Group activity may include a question of the day, music and movement, and/or a story

3:00 Dismissal for full day students. Children will be brought to the building entrance for release to their parents/guardians

**You must walk up to the sidewalk to get your child from the teacher. Your child cannot meet you in the parking lot. Latchkey students will be taken to their designated area.

If there is a ½ day of school, **ALL** preschool children will be dismissed at 11:00am.

Special Services

Guardian Angels Catholic School students, upon referral from parents or teachers, may receive special services offered through the City of Clawson Public School District. These services range from testing for learning disabilities, speech delays and/or intervention. They are dictated by Clawson School District, not Guardian Angels Catholic School. Services are also received through the Oakland County Intermediate School District upon referral from Clawson Schools, as well as through the Oakland County Health Department. Students with special needs in a service plan will be given a daily progress report upon a parent request.
